

JOIN US!

Over the last 18 months, our iconic Crystal Bridge Conservatory has been closed while undergoing a complete renovation of its interior spaces. It is now completed and you are invited to a preview of the reimagined Conservatory before the public opening in November.

We invite you to join us to preview the newly named, Inasmuch Foundation Crystal Bridge Conservatory.

During this special occasion, we will present the Gardens' annual Orchids in October award to Inasmuch Foundation for their lead private gift to the renovation campaign. Larry Nichols and James Tolbert will also be recognized for their instrumental contributions to the development of Myriad Botanical Gardens over the last decades.

Splendor in the Gardens will take place on Thursday, October 13th. Beginning at 6 pm, enjoy a cocktail hour while touring the Conservatory.

As the sun sets, we will move to the Devon Great Lawn where a farm-to-table style four course dinner will be served by chefs Kurt Fleischfresser of Vast, Kamala Gamble of Kam's Kookery and Alison Brown of Brown Egg Bakery.

This event serves to raise funds that help support our capital campaign and annual operating expenses of Myriad Gardens Foundation, the 501(c)3 nonprofit organization that manages Myriad Botanical Gardens.
